WHO AM I?

Docker
Kubernetes
AWS
Azure
Linux
Ansible
Terraform
PHP
GOLang
Python
Linux Shell

WHAT MOTIVATES ME?

Teamwork, responsibility, constructive criticism, lifelong learning, unconventional approaches

Constructively question existing ways of thinking, learn from others

Lead by example but also let others lead by example (to learn from them)

Contribute the glue between many parts to form a whole from many individual parts

Linux   Agile   DevOps   Coding   Cloud   Quality   Culture
